

The Young Leaders Society harnesses the power of those 35 and younger to make a difference. Members connect to their communities and each other through special events and volunteer projects.

If you are looking to network with new people, become a better leader, or make a personal commitment to your community, join United Way's Young Leaders Society. Your ability to make a lasting difference starts here.

Young Leaders who make an annual recurring gift to United Way, are invited to participate in Young Leaders Society events and engagements throughout the year.

Young Leaders Society members enjoy:

- Invitations to special events with like-minded young professionals
- Opportunities to roll up your sleeves and volunteer by sharing your knowledge and skills with the community
- Frequent updates and communications through the Young Leaders Society Facebook and webpage
- Opportunities to learn from community and business leaders

If your gift qualifies you for inclusion in a giving society or for more information on joining a society that is right for you, visit UnitedWayDallas.org/GivingSocieties or call 214-978-0077.
